**CIRCULAR TO PARENTS**

**AVM/CIR-P/20-21/003**

**29.06.2020**

Dear Parents,

I write to you at a time of great uncertainty in our country and across the world. The COVID – 19 pandemic has and will continue to impact on all of us for the foreseeable future. During this challenging and difficult time, we are initiating a process to provide academic experiences for our children and therefore we plan to go for **REMOTE LEARNING** through **online from 6th July 2020**

We believe keeping kids on a routine is important, the school and all the teachers are working hard to give that to students through virtual learning and online classes. We would request you to make necessary arrangements at home (wi-fi connections or net pack accessibility to laptops or android phone for students, etc.), so that children can attend the online sessions.

Furthermore, for making this effective we have chalked out a digital plan and a weekly schedule of how the classes will be conducted online. The detailed time table and process of connecting over Google meet will be made available to you through mail. The schedule and the invite by the individual subject teachers will be shared/mailed to you soon.

We will be able to resume regular classes and also depend on the directives of the government. As this is a new initiative by the School, the Management, the teachers are trying to ensure that the learning continues. We have new challenges to face as all of us will also be doing it for the first time, so we request to be a part of this journey and support us in this endeavour of ours.

We ask you to take care of yours and your family's health and wellbeing.

With regards,

Principal
