1. I, Mrs. Uthariammal, Principal of Agasthya Vidya Mandir, Hosur, would like to inform you that the Inspection Committee had completed the inspection process on 15<sup>th</sup> June 22.

As per the query mail received through SARAS on 13<sup>th</sup> August 2022 from CBSE, we were instructed to re-upload documents and videography of the inspection on its school letterhead and upload in the re-upload option before 28<sup>th</sup> August 2022. We have uploaded all the necessary documents but we were not able to re-upload the videography of the inspection process as the option wasn't provided in SARAS. We expressed this concern to affiliation board through a telecall and they guided us to upload the video in the school website under mandatory disclosure.

This has been done immediately. Kindly go through the school website for the details and request you to grant us affiliation as per the process. Please do let us know if anything else is required.

The school website and the YouTube URL is given below.
