Respected Parents,

As discussed earlier, we kindly request all parents to download and start using the official school app for all communication purposes. If you face any difficulty in accessing or using the app, please do not hesitate to approach the respective class teachers for assistance.

While WhatsApp may seem convenient, it is not always secure. For safety and security, please use only the school app.

Parents who have iPhones are kindly requested to use another phone available at home for accessing the school app.

Please note that all WhatsApp communication will be discontinued after 10th July 2025.

We appreciate your cooperation and support.

With regards,
Principal
