# Annual Report

**A warm welcome to everyone arrived here today!**

**As we approach to the end of this academic year and our 5th years of service towards providing quality education since start of the school 2020. the stage is ready for 4th annual day celebration, we take this opportunity to thank the almighty God for his abundant blessing and guidance.**

# About School

The Agasthya Charitable Trust is in charge of the school since 2018. We have now effectively finished five academic sessions. The school's operations are overseen by a diversified group of committed educators and managerial professionals. It is committed to help the next generation become self-assured, adaptive, productive, and good citizens in accordance with the nation's education policy and CBSE guidelines. Its primary focus is on providing value based high-quality education.

*“Education is the most powerful weapon which you can use to change the world”*

## Infrastructure

School environment is conducive for holistic development of the students. The school focuses on health and hygiene by adopting inclusive practices. New building constructed and functioning with the provision of standard laboratories, Library, additional classrooms and administrative office. Additional facility is established for the physical Education and transportation of students.

## curriculum

The curriculum at Agasthya Vidya Mandir is to help students develop 21st-century skills/ in environments where they feel safe, secure, and at ease while learning. Curriculum is aligned with CBSE guidelines in a way that encourages students to learn and apply in real-world situations. Students have sufficient information and abilities in other fundamental subjects in order to accomplish the goal.

## Staffs & Students Strength

The school employed 44 enthusiastic, professional and dedicated teachers as well as administrative staff members. In order to make the school function well and foster fresh ideas, our 29 support staff members collaborate with one another. There are 708 students in the school for the academic session 2024-2025.

## Capacity Building Program For Teachers

All of our teachers attended the training conducted by various CBSE school, COE Chennai offline and online training. Principal and the senior teacher attended the training on transformational leadership for 3 days. Depending on the needs, internal training programmes were regularly held to expand expertise on a variety of topics.

*"Excellence is never an accident. It is the result of high intention, sincere effort, and intelligent execution"*

## Academic Events

### Penning thoughts, Speaking Minds

Academic activities and competitions encourage and foster a healthy competitive spirit. Students actively participated in the budding authors and essay writing conducted by CBSE. The activities conducted at school level on literary club week, some are storytelling, essay, speech, creative writing, handwriting, poem writing slogan writing, recitation, fashion show to enhance listening, speaking, reading and writing skills and students were honored with certificates.
